International Conference for Genomic Medicine 2027

01 Abstract Submission Guidelines

Preparation of abstracts

01.1 Title:

- Use a concise title that reflects abstract content.
- The font should be in Times New Roman font, size 14, bold and centered.

01.2 Authors/Institution:

- Provide the full names and affiliations of all authors.
- When multiple authors submit an abstract, clearly identify one contact author and provide complete contact information.
- List the author's institution affiliation below each author's name, followed by the city of the institution, except when authors share the same institutional affiliation.
- Specify the presenting author, who will receive the conference participation certificate, and make sure their name is bolded in the printed poster with an asterisk (*).

01.3 Abstracts:

- Should be written in English. Use Times New Roman font, size 12, and single-spaced formatting.
- The abstract body should not exceed 250 words.
- Abstract should be structured including background, aim, methodology, main results, and conclusions of your research or study.
- Provide three keywords and the subtheme closest to your abstract.

02 Poster Presentation Guidelines:

Mounting: Posters will be mounted on whiteboards.

Size: 70 cm wide X 100 cm high. (Do not change the attached size).

Format: The poster should be designed in a portrait orientation.

Content: Include sections such as Introduction, Methods, Results, Discussion, Conclusion, References, and Acknowledgment.

Visuals: Ensure that graphs, charts, and images are clear and effectively convey your research findings.

Font: Use a legible font style and size for easy readability (e.g., Arial, Times New Roman size 36-24).

Keep everything as simple as possible and try to avoid overcrowding your posters. Your poster must be easily read by all.

Poster template can be found **here**

03 Winners

- The scientific committee members will evaluate and choose the abstracts based on their relevance of the topics to the conference themes and novelty.
- The three abstract winners will be invited for oral presentations.
- Abstract acceptance emails will be sent by **8 April, 2027.**
- Poster evaluation and presentations will take place during the conference days. Details will be sent by email.

04 Deadlines

- The last day to call for abstracts is on **18 February, 2027.**
- On the ground floor, all whiteboards will be placed in the hallway for participants to hang physically in the early morning of **21 April 2027.**

05 Abstract Submission

- For further information and abstract submission, please forward posters in Word or PDF format to the email **CGM_conference@kfshrc.edu.sa**
